

Grant Report Form

Reports not only help the Foundation track progress of programs and projects and ensure proper programmatic oversight of grants, they also provide a way for us to share the impact of donor gifts with current and potential donors. They can also provide the grantee an opportunity to reflect on program activities and plans. Please use these guidelines to report on the outcomes of your grant funded program.

The report due date can be found in your grant award letter.

We encourage you to add any supplemental information or materials that may be helpful to our understanding of your program, as well as pictures. Please note that pictures may be used for promotional purposes. Email completed grant reports (and pictures or attachments) to apancake@ewvcf.org
