

EASTERN WEST VIRGINIA COMMUNITY FOUNDATION

Gather. Grow. Grant.

Please help the Eastern West Virginia Community Foundation celebrate our 25th Anniversary in 2020 by becoming a Corporate Partner in Philanthropy. Your sponsorship supports our grant programs, allows us to serve our nonprofit partners better, underwrites several annual events where we present nearly \$1 Million in grants and scholarships, and provides us with the means to recognize and honor Eastern Panhandle students, teachers, donors, and nonprofit leaders.

WHAT YOUR FUNDING SUPPORTS

The Community Foundation's annual Mini-Grants to Teachers program is one of several that are funded in part with contributions from our Partners in Philanthropy. Last year, nearly 300 teachers applied for mini-grants of up to \$500 each, and 101 of the grant requests were funded.

Since the program was established in 2013, we have awarded more than \$250,000 in Mini Grants. The feedback from teachers, principals, and students has inspired us to expand the program, and with your continued support, we will be able to fund even more mini-grants in 2020.

Contributions from our Partners in Philanthropy provide financial resources to increase the number of mini-grants we award and underwrite the modest cost of our annual Partners in Philanthropy reception where we award the grants and honor the teachers.
