

EASTERN WEST VIRGINIA COMMUNITY FOUNDATION

Gather. Grow. Grant.

Please help the Eastern West Virginia Community Foundation by becoming a Corporate Partner in Philanthropy. Your sponsorship supports grant programs which assist area nonprofit organizations as they work to provide services to our most needy citizens. Last year, EWVCF awarded more than \$1 million in grants and scholarships.

In addition to providing annual support, a number of local companies have established endowed funds at the community foundation. Please call Michael Whalton at 304.264.0353 to learn more about creating a lasting legacy that can support favorite charities in perpetuity.

What your funding supports

During the past three years, thanks to funding from our **Partners in Philanthropy**, EWVCF was able to support nonprofit organizations in the battle against COVID-19, award Mini-Grants to Teachers, and build unrestricted Community Impact Funds in Berkeley, Jefferson, and Morgan Counties.

Support from our corporate sponsors allowed us to fund creative and worthy projects in Eastern Panhandle schools, provide grants to Meals on Wheels programs (among dozens of other nonprofits), and publish our 27th Annual Report to the Community.

For years, our Partners in Philanthropy have been instrumental in the success of the Community Foundation and we are truly grateful for the support.

In addition to sponsorship, several of our corporate partners have established endowed donor-advised funds to support favorite nonprofit organizations and charitable causes. If you'd like more information about creating a permanent endowment, call Michael Whalton at 304.264.0353
